#### FRANKFORT ROUNDABOUT

FRANKFORT, APRIL 20, 1895.

##### Call by Number.

A new list of subscribers to the local exchange of the East Tennessee Telephone Company has been issued and delivered at each station — of which there are now seventy-eight. The increased number of subscribers has necessitated the employment of an additional operator, a young lady who is a stranger in the city, and when on duty will not know with whom to connect you when you ask to be given Mr. So-and-so, and it is requested of each subscriber to use numbers when asking for a connection.

##### Gone With the L. & N.

Mr. A. C. Scott, formerly of this county, but now of Eminence, brother of Dr. L. M. Scott, of this city, who has been U. S. Deputy Marshal in this district, has resigned his position to become a detective for the L. & N. Railroad. He will have his headquarters at Bowling Green and will operate in the section of the county between there and Nashville.

##### Will be Repeated.

At the request of all those who heard it and many others who did not have the pleasure, the elegant Easter musical programme rendered at the services at the Church of the Good Shepherd last Sunday will be repeated to-morrow. All are invited to attend.

##### Is Being Repaired.

Mr. Ed. Lillis, the contractor, commenced work Wednesday afternoon raising the retaining wall on the east side of St. Clair street at the north end of the bridge, and when completed the iron fence will be reset upon top of it.
